

Tuesday March 17, 2020

Dear Members and Associate Members,

Given the recent events that have transpired regarding the COVID-19 outbreak, the NSGA Board has made the decision to postpone our Annual General Meeting (AGM) that was scheduled for Tuesday, March 24, 2020.

After speaking with members and associate members, it became clear that many of their organizations had implemented travel bans and/or limited the size of meetings that individuals are able to attend. Although this decision has been made with an abundance of caution, we as a board recognize our responsibility to work together to protect our membership and their families in this trying and uncertain time.

Please be assured that the Board is still working to achieve the goals set out by our members, and you can expect a proposal from us in the very near future. As Benjamin Franklin once said, "an ounce of prevention is worth a pound of cure".

Sincerely,

A handwritten signature in black ink that reads 'Matt Gauthier'. The signature is fluid and cursive, with a long horizontal stroke extending from the end.

Matt Gauthier

President

Nursery Sod Growers of Ontario
